Kansas Commission on Governmental Standards and Conduct

Advisory Opinion No. 96-12

Written April 11, 1996, to Ken Eland, City Attorney, Hoxie.

This opinion is in response to your letter of April 3, 1996, in which you request an opinion from the Kansas Commission on Governmental Standards and Conduct concerning the local level conflict of interest laws (K.S.A. 75-4301 et seq.). We note at the outset that the commission's jurisdiction concerning your question is limited to the application of K.S.A. 75-4301 et seq., and whether some other statutory system, common law theory or agency rule and regulation applies to your inquiry is not covered in this opinion.

Factual Statement

We understand you request this opinion in your capacity as city attorney for the city of Hoxie, Kansas. You advise us that Hoxie, and Sheridan County, have entered into a Joint Operating Agreement in order to govern the local airport. The committee that oversees the airport is comprised of several city and county governmental officials. The Airport Committee is seeking funding from both the city and county to resurface the airport's runway.

Question

Based on this factual situation, you ask the following questions:

- 1. Is it permissible under the local level conflict of interest laws for the Mayor of Hoxie to vote on funding for the airport when he serves on the Airport Committee?
- 2. Is it permissible under the local level conflict of interest laws for a Sheridan County Commissioner to vote on funding for the airport when he serves on the Airport Committee?

Opinion

We have reviewed the local level conflict of interest laws in their entirety and the only section that may apply to your questions is K.S.A. 75-4304, which states:

- (a) No local governmental officer or employee shall, in the capacity of such an officer or employee, make or participate in the making of a contract with any person or business by which the officer or employee is employed or in whose business the officer or employee has a substantial interest.
 - (b) No person or business shall enter into any contract where any local governmental officer or employee, acting in that capacity, is a signatory to or a participant in the making of the contract and is employed by or has a substantial interest in the person or business.
 - (c) A local governmental officer or employee does not make or participate in the making of a contract if the officer or employee abstains from any action in regard to the contract.
 - (d) This section shall not apply to the following:
 - (1) Contracts let after competitive bidding has been advertised for by published notice; and

- (2) contracts for property or services for which therefore or rate is fixed by law.
- (e) Any local governmental officer or employee who is convicted of violating this section shall forfeit the office or employment.

We first note that for this section to apply, a "substantial interest" must be held in a "person" or "business." This commission has consistently held that local and quasi-local subdivisions of government are not "persons" or "businesses" as defined in K.S.A. 75-4301 et seq. Therefore, this section would not apply, and the situation you describe would not be a violation of the local level conflict of interest laws. Thus, the mayor and county commissioner could vote on funding for the airport.

In closing, if the state level conflict of interest laws (K.S.A. 46-215 et seq.) applied to this situation, a different outcome would have been reached since governmental agencies are defined under those laws as a "business."

Advisory Opinion No. 96-13

Written April 11, 1996, to the Honorable John P. Bennett, District Judge, 18th Division, Tenth Judicial District, Olathe.

This opinion is in response to your letter of April 1, 1996, in which you request an opinion from the Kansas Commission on Governmental Standards and Conduct concerning the Campaign Finance Act (K.S.A. 25-4142 et seq.).

Factual Statement

We understand you request this opinion in your capacity as an incumbent retention judge. You do not believe the \$30 candidate filing fee required by K.S.A. 25-4119f (a) (4) applies to retention judges.

Ouestion

Does the \$30 candidate filing fee required by K.S.A. 25-4119f (a) (4) apply to incumbent retention judges?

Opinion

K.S.A. 1995 Supp. 25-4119f (a) in pertinent part states:

In addition to any other fee required by law, every person becoming a candidate for the following offices shall pay a fee at the time of filing for such office in the amount prescribed by this section:

As you note in your letter, there may be some issue of interpretation in applying this section to retention judges. However, the commission believes this question is eliminated by K.S.A. 20-2908, which in pertinent part states: "Election laws applicable to the general elections of other state officers shall apply to elections upon the question of retention of judges of the district court..."

Thus, it is our opinion that K.S.A. 20-2908 and 25-4119f (a) (4), when read together, require retention judges to pay the \$30 filing fee.

Advisory Opinion No. 96-14

Written April 22, 1996, to all interested persons.

Pursuant to K.S.A. 25-4159, the Kansas Commission on Governmental Standards and Conduct takes the opportunity to issue its opinion on the use of campaign funds by elected state officers to attend national political party conventions under the Kansas Finance Act (K.S.A. 25-4142 et seq.).

Ouestion

Is it a permissible use of campaign funds for an elected state officeholder or candidate for state office to attend his or her national political party convention?

Opinion

K.S.A. 25-4157a(a) states:

No moneys received by any candidate or candidate commitused or be made available for the personal use of the candidate and no such moneys shall be used by such candidate or the candidate committee of such candidate except for legitimate campaign purposes, for expenses of holding political office or for contributions to the party committees of the political party of which such candidate is a member.

For the purpose of this section, expenditures for "personal use" shall include expenditures to defray normal living expenses for the candidate or the candidate's family and expenditures for the personal benefit of the candidate having no direct connection with or effect upon the campaign of the candidate or the holding of public office.

The commission believes this law does not permit the use of campaign funds for a state officeholder or a candidate for state office to attend his or her national party convention since this expenditure does not have a legitimate campaign purpose, is not for an expense of holding political office, or is a contribution to a party committee. In addition, such expenditure is for the "personal use" of the candidate and does not have a "direct connection with or effect upon the campaign of the candidate or the holding of public office." Thus, elected state officeholders may not use campaign funds to attend national political party conventions.

Nothing in this opinion precludes an elected state officeholder from using his or her own personal funds to

attend a convention.

Advisory Opinion No. 96-15

Written April 22, 1996, to Daniel Thornton, Executive Director, Northwest Kansas Educational Service Center, Oakley.

This opinion is in response to your letter of April 3, 1996, in which you request an opinion from the Kansas Commission on Governmental Standards and Conduct concerning the local level conflict of interest laws (K.S.A. 75-4301 et seq.). We note at the outset that the commission's jurisdiction concerning your question is limited to the application of K.S.A. 75-4301 et seq., and whether some other statutory system, common law theory or agency rule and regulation applies to your inquiry is not covered in this opinion.

Factual Statement

We understand you request this opinion in your capacity as executive director of the Northwest Kansas Educational Service Center. You advise us that one of the center's employees potentially could serve as an alternate on the center's board. This employee is also a member of

the teacher negotiating team that would be involved in contractual negotiations between the center's employees and the board.

Question

Is it a violation of the local level conflict of interest laws (K.S.A. 75-4301 et seq.) for an employee of the center, who serves on the negotiating team on behalf of the center's employees, to also serve on the center's board of directors?

Opinion

We have reviewed the local level conflict of interest laws in their entirety and the only section that may apply to your question is K.S.A. 75-4304, which states:

- (a) No local governmental officer or employee shall, in the capacity of such officer or employee, make or participate in the making of a contract with any person or business by which the officer or employee is employed or in whose business the officer or employee has a substantial interest.
- (b) No person or business shall enter into any contract where any local governmental officer or employee, acting in that capacity, is a signatory to or a participant in the making of the contract and is employed by or has a substantial interest in the person or business.
- (c) A local governmental officer or employee does not make or participate in the making of a contract if the officer or employee abstains from any action in regard to the contract.
 - (d) This section shall not apply to the following:
- (1) Contracts let after competitive bidding has been advertised for by published notice; and
- (2) contracts for property or services for which the price or rate is fixed by law.
- (e) Any local governmental officer or employee who is convicted of violating this section shall forfeit the office or employment.

We first note that for this section to apply, a "substantial interest" must be held in a "person" or "business." This commission has consistently held that a local or quasi-local subdivision of government such as the center is not a "person" or "business." Therefore, this section would not apply, and the situation you describe would not be a violation of the local level conflict of interest laws. Thus, the employee could serve on the board and the center's negotiating team.

In closing, if the state level conflict of interest laws (K.S.A. 46-215 et seq.) applied to this situation, a different outcome would have been reached, since governmental agencies are defined under those laws as a "business."

Department of Health and Environment

Notice of Meeting

The Kansas Department of Health and Environment will conduct a public meeting at 7 p.m. Wednesday, May 22, at the Spring Hill Community Center, 613 S. Race, Spring Hill, to consider a site-specific water quality criterion and a total maximum daily load (TMDL) for total

phosphorous in Hillsdale Lake.

Hillsdale Lake is located in the northern portion of Miami County. KDHE is considering a site-specific criterion and TMDL for total phosphorous to extend the useful life of the lake as a recreational and a drinking water supply resource. KDHE and Johnson County Unified Wastewater Districts have provided studies showing that Hillsdale Lake is nutrient-enriched. Both studies indicate phosphorus is the nutrient that needs to be controlled to reduce the eutrophication rate. Eutrophication is a biological process in which a water body becomes overgrown with algae and plant life. Both studies also predict that if left uncontrolled, the phosphorus added to Hillsdale Lake will increase significantly in future years and rapidly diminish the useful life of the lake.

The site-specific criterion is the concentration of phosphorus that should not be exceeded in the lake. Proceeding under K.A.R. 28-16-28b-f, KDHE is considering a site-specific total phosphorus criterion to reduce the eutrophication rate of Hillsdale Lake. Comments are re-

quested as to the appropriate criterion.

The TMDL is expressed in terms of pounds of phosphorus per day that can be deposited in the lake. Proceeding under K.A.R. 28-16-28e(c)(7)(A), which sets general criteria to support the designated use of this water body for recreation use, KDHE is considering a TMDL of phosphorus to reduce the eutrophication rate of Hillsdale Lake. Comments are requested as to the appropriate phosphorus load.

Any individual with a disability may request accommodation to participate in the public meeting and may request documents discussing site-specific criteria and TMDL information for Hillsdale Lake in an accessible format. Requests for additional information or accommodation to participate in the meeting should be made at least five working days in advance of the meeting by con-

tacting Jeanne Woodard at (913) 296-5500.

Persons wishing to comment on either a site-specific criterion or TMDL for Hillsdale Lake may write to the Kansas Department of Health and Environment, Jeanne Woodard - Bureau of Water, Forbes Field, Building 283, Topeka, 66620. Interested persons also may provide written and/or oral comments at the public meeting. To be considered, all comments must be provided to KDHE by May 22 or such later date, if any, as may be established at the public meeting.

Library Network Board

Request for Proposals

The Kansas Library Network Board (KLNB), a division of the Kansas State Library, invites proposals from qualified applicants to prepare an effective fund raising cam-

paign for Blue Skyways.

Blue Skyways is "the home page for Kansas." It provides easy, convenient global access to information on Kansas communities, education and government via the World Wide Web. Skyways is the product of a broadbased partnership involving state agencies, educational institutions and libraries throughout the state. Librarians across Kansas are implementing Blue Skyways, under the leadership of the State Library in Topeka.

Skyways is available 24 hours a day at this address: http://skyways.lib.ks.us/kansas/. Services available on

Blue Skyways include:

- ★ State publications and home pages for legislators.
- ★ A database of community and social service agencies throughout Kansas.
- ★ A directory of Internet service providers in Kansas.
- ★ Home pages for Kansas communities.
- ★ The Kansas Library Catalog, which lists 8,000,000 holdings in more than 700 libraries statewide.

This RFP seeks a qualified contractor to help the KLNB recruit sponsors who are willing to underwrite the costs of providing Blue Skyways to the people of Kansas.

Responsibilities of the Successful Applicant

In Phase I of this project, the successful contractor will work with the KLNB and its partners to identify potential sponsors, develop compelling proposals, and plan an effective campaign for enlisting sponsorship from corporate, foundation and government funding sources. In Phase II, the contract will help the KLNB approach the potential sponsors identified in Phase I.

The successful contractor shall have the commitment and resources necessary to help the KLNB and its partners plan and implement an effective fund raising campaign, which means the contractor must have a track rec-

ord of successful grant writing.

Eligible Expenditures

Applicants may request funding for any expenses they deem necessary to support this project, including personnel, telecommunications, and/or supplies.

Selection Criteria

In evaluating responses to this RFP, the KLNB will look for evidence that the applicant has the expertise, commitment and resources to complete this assignment in a timely manner at the lowest possible cost.

Selection Process

A KLNB committee will review and evaluate responses. Based on recommendations from this commit-

tee, the KLNB will select the successful bidder. Selection will be based on each applicant's potential to effectively complete this assignment and on the applicant's pro-
